**MAKING THE WORLD A BETTER
PLACE BY DOING GOOD**

How it all began

How can one person change the world for good? Is it even possible? I wanted to make the world a better place, but I didn't know how. One day I sat down with my family and we came up with *7 Days of Good*. We challenged ourselves to do 7 good things to 7 people in 7 days. We believe by doing these simple acts, we will all change the world for good.

Get Started

- Day 1 - Do good to a family member
- Day 2 - Do good to a friend
- Day 3 - Do good to an acquaintance
- Day 4 - Do good to a stranger
- Day 5 - Do good to a helpless person
- Day 6 - Do good to a person hard to love
- Day 7 - Do good to yourself

7 Days of Good has been designed to begin with your closest relationships and end with the most difficult. This will give you the practice and confidence to do good to everyone.
